Also, shortly after the I&A was filed, the real estate market crashed and the house was worth less than the mortgage without regard to the roof. |  |

File 6 – Kozera

## Page 2 – NEEDS/PROBLEMS/COMMENTS:

1. Need amended accounting due to, but not necessarily limited to, the following issues:
  - Account does not balance. Charges and Credits should match.
  - Beginning Property On Hand does not correspond to the Ending Property On Hand figure from the Second Accounting.
  - Need mandatory schedules, including summary, receipts, disbursements, etc.
  - The Conservatee passed away 8/15/13. Therefore, this should be a third and final account, containing two account periods: one for the period until her death, and one for the subsequent period after her death. See Probate Code §2620(b).
  - Petitioner requests termination of the conservatorship, but does not request distribution of the assets or indicate whether an estate has been opened.
2. The Court may require the participation and verification of this account by Co-Conservator Patricia Leonard, as she has not formally been removed Co-Conservator.
3. Petitioner states the bond was canceled after the prior accounting because the court said bond was no longer necessary; however, the Order on Second Account filed 2/21/13 states the current bond of \$181,280.00 is sufficient. It does not cancel bond. Need clarification regarding the status of the bond.
4. Need Notice of Hearing.
5. Need proof of service of Notice of Hearing on all relatives at least 15 days prior to the hearing pursuant to Probate Code §§ 2621, 1460(b)(6).
6. Need proof of service of Notice of Hearing with a copy of the petition at least 15 days prior to the hearing pursuant to Probate Code §1252 on Attorney Leigh W. Burnside due to the Request for Special Notice filed 8/25/11.
7. Petitioner's Declaration re bank statements states that the conservatorship technically stopped when the Conservatee died and the probate estate started, and he will account for and deal with the probate estate assets when he files the probate case. He and his sister are the only heirs.

The above statement is not a correct representation of how to deal with the transition from conservatorship estate to probate estate. See above #1, and also Probate Code §§ 2620(b) and 2630 with regard to accounting for the period subsequent to the conservatee's death. Petitioner may wish to seek legal advice from an attorney regarding how to proceed.

**NEEDS/PROBLEMS/COMMENTS:**

1. On 10/1/12, the Court authorized \$300/month for Ms. Pena for care of the minor. Disbursements Schedule indicates an increase to \$350/month in May 2014; however, Examiner is unable to locate an order authorizing this increase. The timing coincides with the authorization to purchase a vehicle, but the petition and order do not address increase. Need clarification.
2. On 4/23/15, the Court authorized investment of the minor's assets instead of holding the minor's funds in the Public Guardian's pooled trust account. This petition indicates gains of \$28.32 and losses of \$5,152.42 in the investment account, plus money management fees totaling \$1,437.91 for this account period. The Court may require clarification with reference to the best interest of the minor.
3. Also on 4/23/14, the Court authorized the Public Guardian to spend up to \$20,000.00 to purchase a vehicle to be used for the minor's benefit; however, it does not appear that any vehicle was purchased during this account period. The Court may require an update on the minor's situation.
4. Exhibit B indicates an estimated 13 Staff hours @ \$76/hr for preparation of the statement of services. Is this a typo? If so, need recalculation of fees. If not, the Court may require itemization. (Note: For example, for the first account, this task was estimated at 1.5 hours.)

**Note: If granted, the Court will set a status hearing for the filing of the next account as follows:**

- **Thursday, Sept. 1, 2016, if a one-year account is required; or**
- **Thursday, Aug. 31, 2017 if a two-year account is required.**
